\$249,900

4 Bedrooms | 2 Bathrooms | 1,956 Sqft

Price reduced to \$249,900 because apparently we were a little too optimistic the first time around! Sitting on the edge of town in Central School District, this home has room for everybody, every hobby & probably every random project you swore you'd finish someday. Inside you'll find: A large eat-in kitchen, 4 bedrooms with potential for a 5th by adding a door to the den and a full bath on each level. But honestly? The heated 30x40 garage may steal the show. Built in 2002, it includes attic storage, a covered patio & enough workspace for car lovers, hobbyists, small business dreams, or someone who just wants a place to disappear for a few hours. Outside you'll find a garden/strawberry patch, perennial flowers & the kind of backyard that makes you suddenly think you could be a gardener. At \$249,900, this one makes a lot more sense than it did a week ago...so don't wait around for somebody else to realize it first! Thank you for requesting a showing of this property. A representative will be in touch with you shortly to confirm the requested showing date and time. Please note that your appointment is until someone contacts you.
