OFFERED FOR THE FIRST TIME! This one-of-a-kind home brick & frame home, sits on a .69 acre lot, is on septic and has it's own private well. It was thoughtfully built in 1972 by its original owner, an exceptional craftsman. This property offers a rare opportunity for buyers who appreciate character, space, and the potential to make a home truly their own. The home features solid construction, generous room sizes, and a functional layout ready for your personal vision and updates. This home is also equipped with a radon mitigation system. Boiler heating system was installed in 2021. Central air was installed in 2015. A standout feature of this property is the impressive two-story (with a basement) woodworking studio - perfect for hobbyists, entrepreneurs, or those seeking additional creative space. With its size and structure, it also presents unique opportunities. The home is being sold as-is and may require updating, making it ideal for buyers looking to build equity while customizing to their taste. All roofs have had complete tear offs and replaced about 4 yrs ago. Conveniently located near parks, shopping, and local amenities, this property combines location, craftsmanship, and untapped potential. Bring your ideas and unlock the possibilities this special property has to offer. Thank you for requesting a showing of this property. A representative
