3 Bedrooms | 2.5 Bathrooms | 1,352 Sqft

Charming, comfortable, and nicely updated, this three-bedroom, 1.5-bath home in Waldron Acres offers plenty of space both inside and out! The inviting living room welcomes you in with a spacious layout, while the well-appointed kitchen opens to a separate dining area for easy everyday living and entertaining. A second family room adds valuable flexible space that could easily serve as a family gathering area, recreation room, or home office! The attached 1.5-car garage provides convenient parking along with additional storage space. You'll love the backyard, where a spacious deck creates the perfect spot for morning coffee, summer grilling, or gathering with family and friends. Numerous updates in 2026 add even more appeal, including a **NEW** roof and gutters, remodeled office/laundry room and half bath with new flooring, plumbing, drywall, and paint, a new exterior water faucet, replacement of the main house water faucet located under the home, and a professionally encapsulated crawlspace. So many improvements have already been completed, allowing you to move in and enjoy! Sold AS IS. Come see all this home has to offer! Don't miss this wonderful opportunity-schedule your private showing today!
