$279,900

3 Bedrooms | **3.5** Bathrooms | **2,896** Sqft

Nobody's perfect & neither are houses! But if you're looking for SPACE, this could be the one! With 2896 sq ft of living space, this sprawling 3-bedroom, 2.5-bath brick ranch has room for new owners to spread out, entertain & make it their own! The gorgeous 22 x 30 family room addition features a stunning vaulted wood ceiling & has been the setting for countless celebrations & memories over the years. This home was made for entertaining & the spacious basement is no exception! With approximately 1868 sq ft of basement space, including 2 additional rooms full of possibilities, there's plenty of room to get creative or finish more bedrooms & another full bathroom! Some fresh flooring & cosmetic updates will make a world of difference. Situated on a 1/3 acre lot (diagonal from the town park) in the highly sought-after Central School District, this home has an incredible amount of space for the price. With a little love & vision, this property has a whole lot of potential! Priced at $279,900 & being sold AS-IS.
